PETITION FOR RULE MAKING

Pursuant to 47 C.F.R. 1.401, Charles Crawford respectfully petitions the FCC to institute a Rule Making proceeding to amend the FM Table of Allotments to add Channel 268C3 at Waukomis, Oklahoma.

DISCUSSION

Petitioner respectfully submits that the public interest would be served by allocating Channel 268C3 to Waukomis, Oklahoma as that community's first local FM service. Waukomis is an incorporated community with a population of 580 people. Waukomis has its own mayor, its own schools, city offices, volunteer fire department, post office and a number of local churches. Waukomis is a community that is certainly deserving of local FM service. The proposed channel 268C3 will provide additional diversity and an outlet for local self-expression to Waukomis residents and therefore is in the public interest.

In order for Channel 268C3 to be allotted at Waukomis, Oklahoma, two stations will need to be reclassified from C's to C0's, they are: KTST/ Oklahoma City, OK (See, Attachment A, Request to Reclassify statement), and KFDI/ Wichita, KS (See, Attachment B, Request to Reclassify statement).

Attached hereto is a channel study confirming that Channel 268C3 can be allocated to Waukomis, Oklahoma, consistent with the FCC's FM separation rules provided the necessary changes are made at Oklahoma City and Wichita. See revision of FM Assignment Policies and Procedures, 90 FCC 2d 88 (1992). (See, Attachment C)

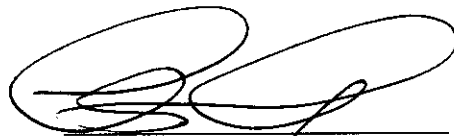

Reference coordinates for Channel 268C3 at Waukomis, Oklahoma are:

Should this petition be granted and Channel 268C3 be allotted to Waukomis, Oklahoma, Petitioner will apply for Channel 268C3 at Waukomis and after it is authorized, will promptly construct the new facility.

The factual information provided in this Petition for Rule Making is correct and true to the best of my knowledge.

Respectfully submitted,

Charles Crawford respectfully requests that the license of Radio Station KTST(FM) be modified to specify operation on FM Channel 270C0 instead of on FM Channel 270C in accordance with the above Docket which provides for such downgrades when a demand for the unused spectrum is made, as is the case here.

Charles Crawford, the proponent of Channel 268C3 at Waukomis, Oklahoma, in accordance with the above Docket, formally requests that the Commission reclassify Radio Station KTST(FM) as a Class C0 facility.
